PHYSICAL EFFORT & ACCESSIBILITY

Activity Level: The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Physical Requirements: Lisbon and Porto are compact cities with many hills, cobblestone streets, and uneven ground. Our walking city tours of Lisbon, Porto, Salamanca and Bilbao will last approximately 4 hours each and take place on cobblestone streets with significant climbs. You should also be prepared to stand for longer periods of time.

Medical Equipment/ Devices: If you require any special assistance while on tour, please make us aware at the time of reservation so the necessary request form can be sent to your attention.

Tour Pacing: The farewell dinner will take place on your second night in Bilbao due to late dining times in Spain and some travelers having early departures on the last day.

Due to the long distances covered on this tour, approximately 1,500 miles/2,500 kilometers, most of our tour days will be full. In particular, there will be three notably long transfers days on the coach, specifically from Lisbon to Porto (195 miles/312 kilometers), Douro valley to Salamanca (183 miles/295 kilometers), and Salamanca to Logrono (230 miles/375 kilometers).

Per local customs, dinners begin later in the evening at 7:30 or 8:30 p.m.
